Federal Government's Strategy Paper on  
International VET Cooperation from a Single Source  
Central Office for International VET Cooperation at the BIBB

## Challenges and Interests

- Ensuring the supply of skilled workers
  - at home and abroad
  - to open up new markets
- Basis for exports of goods
- Mutual learning and exchanges of experience
- Common understanding as an economic basis
- Contribution to social peace

## Fields of Action and Instruments

- Political dialogue
- Systems counselling and research exchanges – BIBB
- Establishing contacts with training providers – iMOVE
- Research projects on exporting training services – PT BEX
- Mobility measures – EU’s “ERASMUS+” education programme
- Establishing standards and quality assurance structures – AHK
